

SALWAN PUBLIC SCHOOL, MV-III

S.P.S / MV / 14 / 1568

NOTE

Date: 07/07/2014

The School has taken a strong initiative to organize an educational trip to "**Auroville, Puducherry (Tamil Nadu)**". A place of International repute also known as the city of Dawn ... where people from 21 countries have come together to live in harmony and scientists from across the globe are working on innovative ideas to create a sustainable future for the next generation. As our school has already laid a ground work for sustainable thinking and wishes to establish a long term program related to sustainability in various disciplines in near future. This venture would definitely be a new learning experience. A rare opportunity for your child where he/she will be exposed to various projects in the field of **Renewable energy, Organic farming, Sustainable technology, Water conservation, Green works, Meditation, Puducherry city tour, workshops on paper making and waste recycling**. This would further boost your child's professional growth.

The dates planned for the trip is from **1st Oct'14 to 10th Oct'14**.

The tentative cost of the trip is **Rs. 16,000** to be paid (cash) in advance as the railway tickets (**AC 3 tier, Rs. 4500 to and fro**) have to be booked at the earliest.

For any further query, you may contact the following co-ordinators for the said trip.
