

Dear Students,

A part of India's diversity is our tribal communities. They are known for their unique habitat, customs, dresses, language etc. Many of our tribes are endangered today. It is our foremost duty to conserve our heritage.

Write in 100 words on any one of the tribe of your region . You could also write :

- Habitat and the kind of their homes/dwelling.
- Customs and festivals, music and dances.
- Their Language and script
- Unique dress, headgear , weaponry
- Your suggestions on how to preserve tribal culture.

Draw a sketch or a painting or a self clicked photograph of your selected tribe. Last date for submission of entries is 30th July , 2014.
